

Kettler Kapers

By TEO CUNNINGHAM, Lomita 232-J

Summertime is such a busy time, but it's also funtime too, what with vacations, picnics, barbecues and all of that. Vacations are spent in so many ways—some go on trips, usually to their old hometown to see the folks and relatives, some go to places such as Sequoia, and the Grand Canyon, while others go in for camping and the rustic life. . . . some stay home and work in the yard or paint the house. However, you spend it, vacations are nice. They often wreck the budget (what's that?) and it takes us some time to get it balanced again, but it's been worth it, and for what- ever time we have had, we've had a change and have been able to put our cares aside for a while at least.

Among those Kettlerites who went back to the old hometown were Al and Beluah Fredrickson and twin daughters Judy and Janice of Reynosa Dr. Taking a little better than two weeks, they drove back to Thief River Falls, Minn., for a wonderful visit with the family. As it is always when we go "home," every minute was packed full to the last second and time sped by faster than it has at any other time, Beluah says that though the thermometer didn't read so high, they did notice the heat. . . . that's the way with old "Minnesota" . . . there are so many lakes that the humidity gets you rather than the heat.

Just taking a leisure trip, going where and when they pleased, and seeing the sights along the way were Bill and Erlene Walker, who spent about four days last week "up north." They spent two days in San Francisco, "doing the town," then drove on up through the big trees stopping at points of interest that happened to strike their fancy, and eventually on up into Oregon as far as Medford. . . . there the heat got uncomfortable so they turned back and came home. Daughter Linda, meanwhile had a wonderful time at grandma's. This past week-end all three of them enjoyed themselves at Big Bear. . . . sounds wonderful.

Making good use of sleeping bags, camping stove, and other equipment needed for a rustic holiday are the Nashes of Kathy Way, Don, Iris and the boys Johnny and Donnie are "roughing it" in Sequoia this week.

Making their headquarters at the Edwin Friberg residence at 1771 Santa Fe Ave. the week before last were Mr. and Mrs. John Bottorf and sons Pat, Bill and Don. Of Sutton, Neb. Mrs. Bottorf is Thelma's sister, so they had a very nice time visiting as well as seeing all the local sights. The Bottorfs returned to Nebraska last Monday.

John and Marion Allen, of Reynosa Dr., are the very proud parents of a new son, William Joseph, born last Friday morning, July 11 at 2 a.m. Weighing in at 6 lbs., 14 oz., he made his appearance at Queen of Angels Hospital in Los Angeles, just a few minutes prior to the earthquake that shook the city that morning. Sister Maureen,

little girl who was hit by a car just before school was out and fractured her hip. . . . She has been in the hospital ever since. She is still confined to bed in a cast, but at least she is home and with her family. She and her parents want to

thank every one of you for being so generous with your cards, gifts, and well wishes. She would like visitors just as much as ever. . . . That Karlow family over on Middlebrook Rd. sure spent a full week-end this past one, early Saturday morning they Thursday night was their fifth wedding anniversary, so they went to Vivian Laird's for dinner and dancing. Friday night they attended the installation dinner-dance of the Jaycees at the Western Ave. clubhouse, and

the Jack Baldwins, Dale Stantons, Gordon Joneses, Wall Sharrons, Jay Nelsons, Jim Moreheads, Jerry Lays, Jill Johnsons and the Bob Owens were all there. As I said before, it was held in the Western Ave. clubhouse, with Judge Otto B. Willett, doing the installation honors. Members of the newly organized Mrs. Jaycees were introduced, and dancing followed.

Register Now Candidate Says

Robert H. Finch, Inglewood attorney and Republican nominee for Congress in the 17th Congressional District this week issued a statement urging all prospective voters to register immediately.

"Registration is open until mid-September and by registering immediately you will avoid the last-minute rush. Failure to register is the same as for, feeling your franchise to vote," Finch said.

Our campaign headquarters will be glad to give the name and address of the nearest registrar to both Republican and Democratic voters desiring this information, said the Republican candidate. "Merely phone OR 8-6495 and one of our workers will give the desired information."

Finch's headquarters announced that it will conduct a district-wide "clean-up" campaign to remove all old and outdated political signs and placards still remaining from the primary race.
